

MALE AND FEMALE SUPPLEMENT INFORMATION

PICK 3 SUPPLEMENTS

AFFINITY BIOTIN: This daily mega-dose (equivalent to 500 egg yolks!) of Vitamin B7 supports thick hair, healthy skin, and strong nails. (Note: discontinue Affinity Biotin at least three days before lab work to avoid skewed test results.)

AFFINITY CIRCULATION: Equivalent to eating half a grapefruit, Affinity Circulation may reduce the risk of hypertension and heart disease. (Note: do not take Affinity Circulation if you currently take statins or any other CYP3A4 interacting medications.)

AFFINITY ENERGY: A potent blend of Green Tea Extract, Panax, Maca and L-Carnitine helps to regulate cortisol and deliver energy when you need it.

AFFINITY HEALTH: Vitamin D3 is one of the most common deficiencies in adults. Affinity Health offers the equivalent of a pound of wild-caught salmon or an hour of Florida sunshine. Our supplement also supports and sustains general health and wellbeing.

AFFINITY HEART: Formulated specifically to support cholesterol health. (Note: do not take Affinity Heart if you currently take statins.)

AFFINITY MOOD: Cordyceps, Reishi, Rhodiola, and Lion's Mane mushrooms support mood regulation and your body's response to stress. Affinity Mood also supports your immune system and muscles.

AFFINITY NUTRITION: Affinity's proprietary blend of 20+ vitamins and minerals provides your body with core nutrients to function efficiently.

AFFINITY SLEEP: Formulated with Melatonin, Lemon Balm, L-Theanine and more, fall asleep faster and stay asleep through the night to wake up feeling refreshed.

Disclaimer: Individual results may vary. All our supplements are made in the United States in an FDA Registered Facility.
